

Investing In Innovation Mead Education Foundation

Just \$5.00 a Month!

A Message from Julie Silbar, President, Mead Education Foundation:

As you know, the Mead Education Foundation is a group of hard working parents and patrons of Mead School District who have come together to support education needs for students and staff. Just \$5.00 from your monthly paycheck will help us to continue to support teachers and students through MEF grants and the Principal Checkbook.

We value our partnership with the Mead educational community and appreciate the efforts of all staff members to establish on-going contributions to a very worthy cause. Our combined effort can have a great impact on your classroom.

See below for your Annual Deduction Authorization form. Please fill it out, and return through District mail to the payroll department by the 1st of the month.

Thank you for your support.
Julie Silbar

Annual Payroll Deduction Form

Please return to the Payroll Department by the 1st of the following month

I authorize Mead School District to deduct monthly (November – October) from my paycheck to support the Mead Education Foundation.

Authorized Monthly Contribution:

\$ _____

If you do not wish to use the convenience of payroll deduction, but, would like to make a contribution, please send your personal check payable to the Mead Education Foundation and forward to MEF in the district mail.
